On Tuesday, December 3, 2019 Project Healing Waters Fly Fishing is participating in #GivingTuesday, a global day dedicated to giving. We invite you to join the movement and to help raise funds for the veterans we serve this November 28th. Encourage your friends, family, and colleagues to visit www.projecthealingwaters.org/givingtuesday to learn about this special day of giving and how they can help.

Here are a few sample messages to help you heal those who serve this

#GivingTuesday:

“Save the date: #GivingTuesday is December 3rd! You can be part of the celebration by giving back to the veterans who have served our country. Visit www.projecthealingwaters.org/givingtuesday to find out more.

This past year alone, more than 4,000 volunteers served over 8,300 disabled veteran participants nationwide. But our work has only begun. With over 3.8 million disabled veterans nationwide, we currently serve 8,300. The PHWFF goal for 2020 is to bring our program services to thousands more disabled veterans. To make this a reality, they need your help, visit www.projecthealingwaters.org/givingtuesday to get started!”

Make a donation TODAY and provide veterans with the support they need on their journey to recovery #GivingTuesday
